Thanks, Craig. I note with an over-attention to detail that the PDF doesn't include Attachments 2, 3, and 4, which the WDNR will need eventually. Please share when it's reasonable.

Also, it may be that a check in of USEPA and WNDR is needed the week of May 9th, when I'm mostly travelling. In that case, please carry on without me. John can bring me up to speed on any legal issues, etc. when we ride the train from Harvard on the 16th.

Thanks, Craig. Given that there is a meeting of attorneys Monday May 16th is of a fairly limited topic, I want to participate by phone.

However, please share any comments on the AOC you receive with John Robinson and Jamie Dunn directly, as I'm out of the office this coming Tuesday through Friday. John and I will be checking in next Monday at 9:00 [which should be before the attorneys' AOC call] so I can be brought up to speed on WDNR views of Xcel's comments on same.

By the way, has a time been set for the attorneys' call on the AOC comments? I assumed it was 10, but cannot find any record of a definite time. From my view, any time after 9:45-ish will work.

I received a call from Greg Fontaine, outside counsel for Soo Line, requesting a meeting with EPA. He said WI Central might also join. He plans to attend with a technical person for the RR. Looks like the week of June 13th is best for a meeting in Chicago. I have obligations the 16-17, so can you please let me know if you're available the 13th, 14th or 15th? I think Tom Benson and Scott should attend, and would leave it up to DNR if they want to attend and if so in person or by phone.

Sorry for all the messages but I want to confirm that the meeting with Xcel to discuss the Pilot Test and proposed PSVP will take place on July 20th starting at 1 pm. I reserved the Indiana Room on the 12th floor from 10 until 4 and we plan to have a pre-meeting in the morning when folks from WDNR arrive (sometime between 10 and 11). John and I will finish

You guys have also covered meetings, and I agree John is eminently qualified to attend. Absolutely no concerns on my end with the approach below.

I have a farewell party Wednesday Aug 10th after work at the UW Memorial Union terrace that you and Scott are more than welcome to, Craig! In due time I will send you an invitation.

Dan: Thanks for the message and making the effort to access your DNR account. Hope the transition is going well. I've pasted below the email I sent you Exemption 5 - Deliberative Process Privilege

I've asked Tom if he would

be available the week of Aug 8th, but that might be too soon. Dan, I know you won't participate in these meetings, so I'm going thru the schedule for John. I understand John will participate in all the meetings until new counsel is assigned to the Site. If that's not correct or if you have concerns please let John know.

Now, as for the "Terrace," why was I not invited?

Take care,

# Craig

## John and Craig:

While the initial plan to keep my DNR email active didn't work out, I've managed to get it restored. I write to tell you this as for a while I'm told emails sent to my DNR address bounced back as undeliverable, which may have caused problems.

Clearly the Ashland CERCLA world has managed to turn just fine without me. However, some not-yet-finished minor loose ends that we may want to work through a little bit are:

So, if I can assist with either of those issues, or any others you might think of, feel free to get in contact. Craig, in the unlikely event you need to get in touch, I can be reached during work hours at my new WisDOT phone number at 608-266-7256.

See you at the Terrace on the afternoon of August 10th, John.

Best,

DAN
